Theft Leaves Startup Business without Wheels

An overnight theft of a bicycle leaves victim with more than just a loss of transportation. Eugene Police received a report earlier today of a theft of a bicycle equipped with two large wok burners, a propane tank, and a blue floral umbrella that was intended to be used as the primary transportation for a new food cart business.

The victim reported to police that the bicycle was in the fenced courtyard area of the apartment complex located in the 1700 block of Willamette Street. At the time of the theft the bicycle was not in able to be ridden and would have had to been pushed to be moved.

The Eugene Police Department is hoping that someone will recognize the below photos of the stolen bicycle and will contact the non-emergency police number at 541-682-5111 if it is observed on the street. If someone has additional information about the theft tips can be provided to the tip line of 541.682.8888.
